

ISO 9001:2008

The ISO 9001:2000 loses its validity on 16 November 2010. The schedule for the introduction of ISO 9001:2008, prepared by the ISO TC 176 and the IAF, is as follows and must be respected:

- With immediate effect, certification, recertification and maintenance audits will only be performed in accordance with ISO 9001:2008.
- Recertification and maintenance audits should be performed before 16 November 2010.
- In the event of address changes, existing ISO 9001:2000 certificates will only be dated until 16 November 2010.

Please access www.iaf.nu for more information.

Thank you for your understanding.
