

The Swiss Association for Quality and Management Systems (SQS) is the leading Swiss organisation for certification- and assessment services. It was founded in 1983 as one of the world's first companies in this field. Today, SQS is internationally active and has more than 160 permanent employees in Switzerland, France and Italy as well as over 290 freelance auditors worldwide.

For our Medical Department, we are looking for a part-time or freelance

Italian-speaking auditor with professional experience in medical technology

for managing audit mandates according to ISO 13485 in the Italian-speaking area

Your main tasks

- Conducting audits at manufacturers and suppliers of medical devices according to ISO 13485
- Implementation and technical execution of certification procedures, including maintenance of existing international certificates
- Market development and acquisition of new customers
- Independent management of the acquired customer portfolio

Your profile

- You have a completed a scientific-, technical- or medical university, university of applied sciences or a degree of a technical college.
- You have at least four years of professional experience in the field of medical devices
- You have a profound knowledge of the ISO 13485 standard
- You think like an entrepreneur
- You work in a customer-oriented, conceptual and analytical manner
- You are resilient, work independently and purposefully
- You are very willing to travel
- You are business fluent in Italian and German

We offer you

- A highly interesting and exciting job
- A high degree of independence in the implementation of the SQS range of services
- An open corporate culture
- Continuous further training opportunities

Are you interested in auditing?

Are you a person who approaches the problems in everyday professional life with common sense and a certain sense of humour? And are you professionally independent enough to be able to audit as far as possible unrestrictedly without conflicts of interest? Then we should definitely get to know each other. Please send your application by e-mail to Ms Marianne Stettler.
